Dear Instructor, Coach, Friend,
I warmly invite you to participate in the informational and training conference:

In Małopolska, we work with European methods.

which will take place on Tuesday, **March 5th at 5:00 PM.**

Are you wondering how to engage reluctant individuals in sports activities? Are you concerned about maintaining physical or mental balance in older and younger people in your environment?

This is a problem that Europe faces. I invite you to join in the search for answers to these challenging questions.

What solutions do the Italians in the Aosta Valley find, looking every day at the towering Mont Blanc dominating the landscape? Our project partners will tell us about it: **Andrea Borney, Loredana Savoye and Nicoletta Savoye from LIMPH FOUNDATION, a foundation operating in Courmayeur,**

with our special guest: **Roberto Russo, the head of the physiotherapy department at the innovative rehabilitation center MOVE DIFFERENT Aosta.**

Join the conference in the way that is the best for you:

- In person - we will be expecting you from 4:30 PM in the conference room of Folwark Stara Winiarnia, Ogrodowa 2, 34-730 Mszana Dolna
